

West Oxfordshire District Cross Country Thursday 20th October 2016

We went to Carterton Community College to take part in a Cross Country Competition with our partnership schools on Thursday 20th October.

Year 3 and 4 had to run 1km, years 5 and 6 had to run 1.5km. The weather was dry and the ground was not muddy. The races were quite difficult but really fun. It was hard work trying to pace ourselves as lots of children ran off really quickly. We had to not worry what other children were doing but run our own race.

Thank you to Mrs. Soanes, Mrs. Brand Wiggins and Mrs. Falconer for driving us there and supporting us.

Joe and Tegan Beech Class.
